

BELIZE TEMPORARY CERTIFICATE OF COMPETENCE APPLICATION FORM

All bareboat charters in Belize require the lead skipper to have a Temporary Certificate of Competency. Below is an application to obtain the Temporary Certificate of Competency that will be submitted to the Belize Port Authority.

Please complete this document in full; if you are unsure of how to complete the form we will gladly answer any questions. Do not leave any blanks; if not applicable enter N/A. A new application is required for each charter, please ensure that you update all information even if you have chartered with us before.* Please do not send any additional attachments or resumes unless requested.

Please email the following items to belize_resume@tuimarine.com:

- 1 this document
- 2 a color copy of your valid passport (information page with photo)
- 3 a separate color passport/ID acceptable photo that will be used to adhere to your certificate.

Our base staff in Belize will submit this document to the Port Authority as an application for your Temporary Certificate of Competency which is a pre-requisite for all bareboat charters in that country. A copy of passport and a separate ID photo, clear of any marks, lines or writing, must also be submitted with this application to apply for your Temporary Certificate of Competency.

I understand the cruising area for bareboat charters is restricted to the waters of Belize inside the Barrier Reef. I understand that the base managers reserve the right to use of THE MOORINGS yachts to those they deem qualified. If there is a reasonable doubt about the skipper and crews abilities a sailing guide will be put aboard at the charterer's expense for the safety of the charterer and the vessel. Provisioning for the sailing guide is the responsibility of the charterer.

I certify that the statements herein are true to the best of my knowledge. I further certify that I am experienced, competent and capable of assuming the responsibilities of a skipper on the yacht requested in the areas of piloting, seamanship, practical knowledge, crew control and International Rules of Navigation.
